

“Coffee for Causes” Fundraising Program

Caribbean Coffee Company is a local premium coffee roaster with a mission to help our nations schools and non-profit organizations. We sell coffee to the best hotels, coffee shops, and restaurants in California! It is our sincere belief that your organization will find this program quick, easy, rewarding, and best of all it can be repeated all year long!

CCC provides all of the tools you will need. We give you a complete instruction manual from start to finish with guidelines. If you follow these guidelines you will be guaranteed to meet your goals. We make custom labels for organizations of 50 persons or more! What a way to make an impact. Send us your logo and we can get started today. Forward all requests to manager@caribbeancoffee.com

Every bag of coffee sold for \$10 nets your organization \$4. If you have 200 participants and they each sell an average of 20 bags you will make \$16,000.00! This can be done in as little as two weeks!

The good news is that each household drinks an average of 1 bag of coffee every two weeks. All you have to do is call them to see if they would like to order again! You could repeat this every month...Imagine what you can do with all the money!

Very soon we will have a fundraising website that your family and friends can buy direct from. When that happens your organization will benefit year round without any effort! Thank you and good luck!

Sincerely, **Eric Hamor**
